RE: Sunset Phase II – Notice of Construction

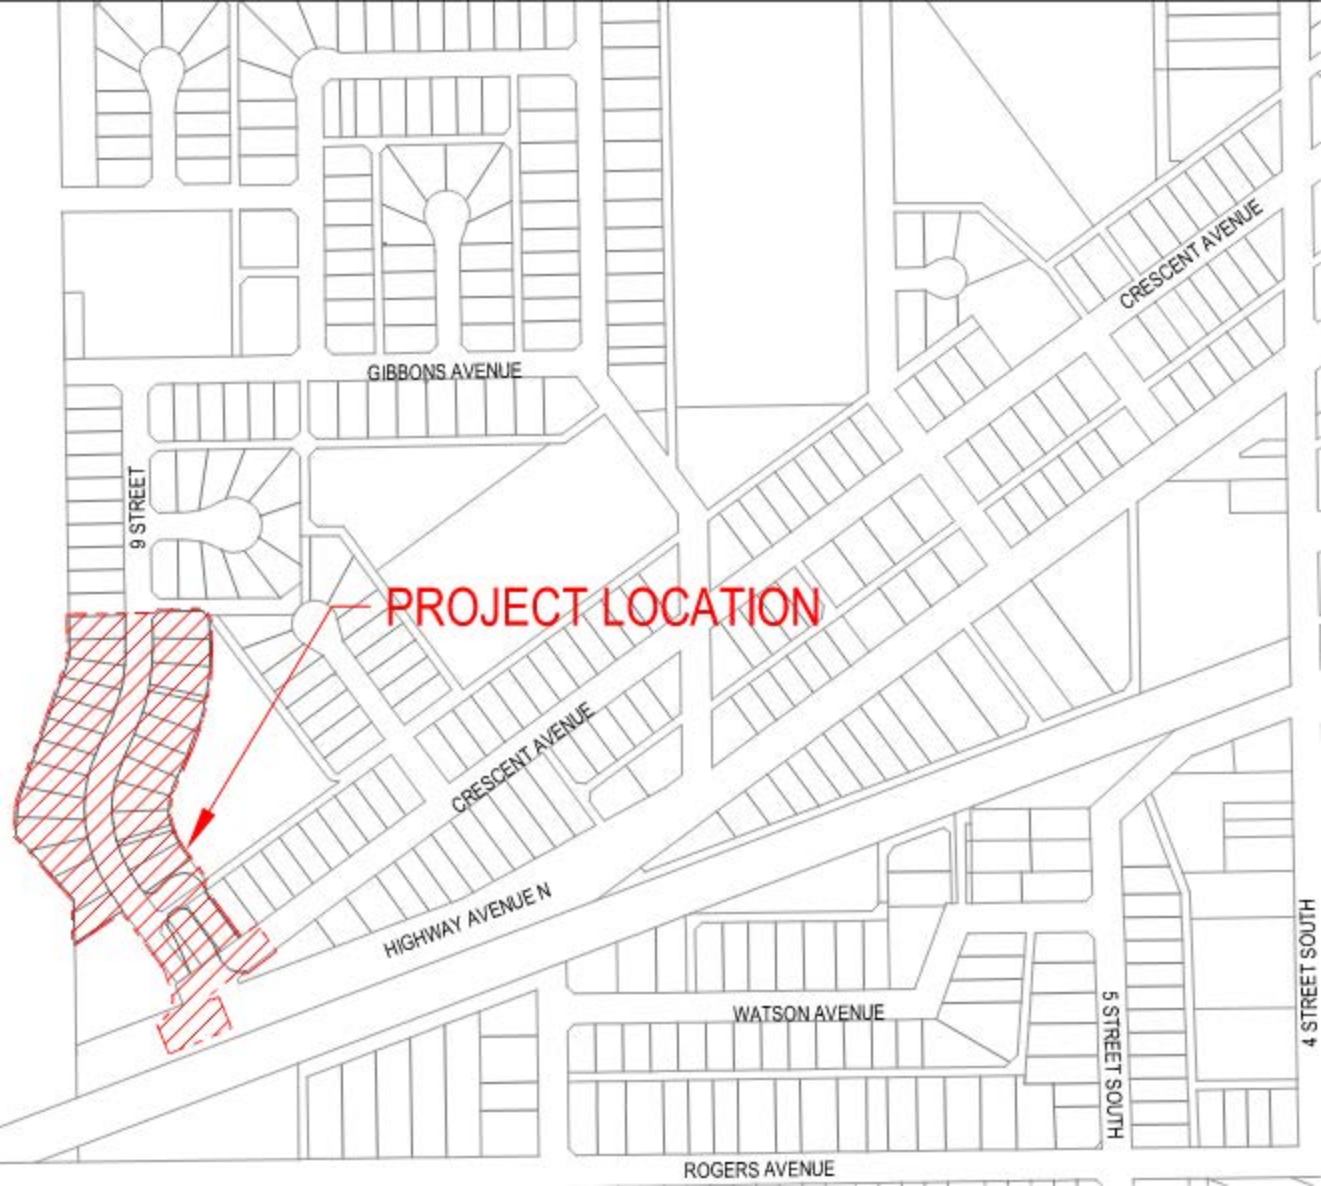

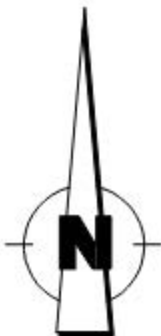

We are pleased to announce that McNally Contractors has been awarded the contract to start and proceed with the 24 residential lots for Sunset Phase II redevelopment. The construction activity will take place in early May 2023 and continue until August, weather depending on the underground surface works.

If you have any questions regarding this notice of the construction activity, please contact the Town shop at (403) 732-4881 or my cell (403) 382-0705. Thank you for your patience and cooperation during this project.

Sincerely,

A handwritten signature in blue ink, appearing to read "Aaron Benson".

Aaron Benson, Director of Operations
