Resident Satisfaction Survey

Question #1 – What program or service currently provided by the Town has the biggest positive impact on you?

There were 104 relevant responses to this question. The top response answered by 29 people was Garbage, yard waste and the bi-annual cleanup program. With the next runner-ups being the Pool, Fire/EMS services, and the Arena and Outdoor rink. Overall, a lot of positive feedback.

Question #2 – What are three things that you would do to improve living in Picture Butte?

There were 110 responses to this question. The top answer was better road, alley, and sidewalk maintenance with 27 comments. Runner-up responses were more RCMP presence with 18 comments, continue the trail network or add more walkways, lower taxes, and enforce the bylaws or impose stricter bylaws. Some comments around bylaws were that the follow up on complaints by the Bylaw officer is good but he does not go above and beyond to search out bylaw infractions specifically over grown trees over sidewalks. There were also a few comments about being stricter on unsightly yards. The option for utilities refers to people having low water usage in the winter and being billed the base amount. Some would like to see either more water allotted during the summer or a lower utility bill in the winter to offset the water charges in the summer. There were three comments requesting bike racks or a place to lock up their bike or tie up their dog in the downtown area. They think it will promote more people to walk the downtown area. Some ideas for outdoor recreation included a skate park, bike park, spray park, and disc golf.

Other comments:

More big rig parking	Transparency from Council
Better Internet and phone reception	 Poor job of street sweepers
More Industrial and Commercial lots	Support daycare more
More funding for Library	Better spending on capital projects
Less Town staff	Get rid of the Sunny South
Better communication from Town Office. Some p	people commented that town Office needs to be
promoting and communicating events that happ	en in town.

Question #3 – What do you love about living in Picture Butte? Why do you choose to live here?

There were 107 responses to this question. The most popular comment with 89 responses was everything is within walking distance. The next runner-ups were the small town feel, lots of amenities, and the friendly people. Overall there was a lot of positive feedback. The ones that are looking to move away feel that the town is not as safe or quiet as it used to be, taxes are too high, the smell of feedlots is too much, or there is a lack of programs available for seniors.

Q2 What are three things that you would do to improve living in Picture Butte?

Answered: 106 Skipped: 0

#	RESPONSES	DATE
1	Lower property taxes, no vaccine pass for skating rink,	1/10/2022 7:40 PM
2	Enforce bylaws based on officer doing the leg work not based on resident complaints. More chicken coop permits. Make a paved bath behind the senior centre that connects the parking lot to 5th St S as an extension of the crosswalk at Highway Ave.	1/10/2022 5:23 PM
3	1) Give options for utilities. For example, subscribe to less water for a smaller fee. 2) Keep up financial support for Picture Butte Fire/EMS. 3) Keep property taxes as low as possible and find alternative entrepreneurial routes to make revenue.	1/10/2022 11:39 AM
4	More diligence on stopping theft, squealing tires and the slow removal of snow and weeds with no action by town.	1/10/2022 11:10 AM
5	Continue the trail network, curbside recycling, and a more efficient Public Works department. Public Works seems to struggle to complete tasks in timely fashion such as clearing sidewalks, sanding roads, and mowing grass.	1/9/2022 5:44 PM
6	Like the name says (Picture Butte) let's make the town much more attractive	1/9/2022 10:42 AM
7	Increase areas to walk for families and seniors. This is hopefully less expensive then building structures .A pedestrian light at intersection of highway 25 Rogers Ave and Crescent Ave. Many vehicles just don't see or ignore a person trying cross .	1/8/2022 6:55 PM
8	Lower taxes ;) improve the rink! Get blue bins!	1/8/2022 4:13 PM
9	Current property assessment for fairer property taxes, more RCMP presence, more Bylaw inforcement. Current bylaw enforcement is unnoticeable, seems like the officer only deals with complaints handed to him(I.E. snow removal, illegal semi parking), never goes above and beyond to deal with sidewalks being blocked by vehicles parked in driveway, making sure alleys and streets are cleared properly by Public Works.	1/8/2022 11:11 AM
10	Recycling program with pick up, lower taxes,	1/8/2022 7:15 AM
11	Continued support of emergency services, additional recycling options (curbside would be the best), and grow the town as we need more people to join this community to keep it great.	1/7/2022 6:08 PM
12	Upgrade the fire hall (which I understand was approved by Council). I would love to see more activities for ages 20-40 at the community centre or library (ie. fitness classes, art/craft nights, etc.) instead of having to go to Lethbridge. Adding some lighting to the dog park would also be great as it's very dark early in the morning and in the evenings!	1/7/2022 2:06 PM
13	Staffing assessments and accountability. Town hall staff being accessible or getting back to us when possible.	1/7/2022 12:45 PM
14	I would like pool to offer lane swimming in the morning in the summer.	1/6/2022 10:53 PM
15	Money spent on infrastructure such as replacing crumbled sidewalks and antiquated water and sewer systems before beautification projects. Bicycle parking racks downtown. Include more cubic ft of water in basic usage in the summer to allow for watering lawns.	1/6/2022 9:03 PM
16	Lower property taxes, fix streets	1/6/2022 6:03 PM
17	1. Improve street lights-there is a lack of lighting in many residential areas. 2. Better road maintenance. 3. A higher police presence.	1/6/2022 4:53 PM
18	fill some pot hole ,get rid of bylaw officer,[waste of gas]	1/6/2022 3:45 PM
19	Town could intiate or be more involved in promoting community and events for Community. Get	1/6/2022 2:12 PM

	more stuff for kids to do - bike or skate park, organize/promote yard sale weekends	
20	More communication with what is happening, at meetings what do you mean by in camera, anything secret what the average taxpayer is forbidden to know?	1/5/2022 7:35 PM
21	clean the snow on the streets & sidewalks & make the LNID lake accessable again	1/4/2022 9:36 PM
22	Affordable industrial park, paved pathway to the trailer park, work on crime rate.	1/4/2022 9:28 PM
23	require town staff inside and out to live in Picture Butte - Keith does not have good small town common sense - eg - painting of lines, nor does he seem to care about taxpayers. I would have put 2 or 3 of some kind of poles on main street to encourage bikes (parking/locking) and something to tie up a dog on if you walk uptown I would pay for sunny south subscription so residents up to date and informed and helps keep everyone supporting each other. I would take more care with newsletters and the website - is the information clear or confusing - ie - spring & winter pick up notices are not clear - was it a week or a day, what could be left out? Better communication. Get innovative with water/garbage billing. Do single person households have to keep paying so much? Get rid of the fountain at the town office - ridiculous! In this day and age of no water! Represents waste and just smacks of the arrogant not caring that has us in trouble. It sends a bad message. ask the rcmp to please ticket the guy driving out of town every morning at 6:45am with no mufflercrazy loud everyday!	1/4/2022 3:13 PM
24	Gravel or pavement in back alleys	1/4/2022 1:31 PM
25	Recycling pickup; composting program; community gardens	1/4/2022 11:19 AM
26	1)More restrictions on surrounding farmland use and impact on the town , i.e. soil and debris blowing into our yards	1/4/2022 10:53 AM
27	Picture Butte needs more commercial building lots!	1/4/2022 10:46 AM
28	tractor trailer units out of the residential	1/4/2022 10:43 AM
29	Street repairs sidewalk repairs snow removal	1/4/2022 10:24 AM
30	more walking paths and clearing branches & debris from sidewalk, encourage more activities for citizens to participate in(example streets fairs, beer gardens, farmers markets)	1/4/2022 9:35 AM
31	Better communication around the pool and community center	1/4/2022 8:36 AM
32	Better internet and phone reception! Less barking dogs in summer! The smell from the feedlots is terrible in the summer. Can't open our windows for fresh air because of that!	1/4/2022 8:26 AM
33	1. clean sidewalks as I walk daily. 2. trimmed trees and hedges so I don't have to duck under them or walk around them. 3. Safe pedestrian croaawalks especially near the post office and corner of Rogers and 6th. Vehicles are not stopping for pedestrians. Perhaps flashing lights such as those installed on HWY Ave?	1/4/2022 8:12 AM
34	1. Cleaner Streets 2 Repair damaged sidewalks 3 Reduce Office Staffing	1/2/2022 11:40 PM
35	1. The existing street lights makes it difficult to see at night. With the dim lighting, making it unsafe and may promote vandalism. Either brighter lights, sensor lights or more street light standards may correct this. 2. To increase walkability in the down town area for a pleasing experience, we are in need of someplace to tie up dogs, have benches, bicycle racks as well as more trees for shade, this would be good for the environment and health and wellness on a daily basis. One would leave their vehicle at home, this would promote a healthier life style. 3. To tie together the town trails with the Walk on the Wild Side trails, promoting accessibility for seniors for better quality of life.	1/2/2022 3:48 PM
36	 Something more interactive for younger people/youth. Like a recreation centre or skate park. Better biking/jogging/walking trails/routes. Brighter/more street lights. 	12/28/2021 10:44 AM
37	1. That our councilor's would share their visions and goals with the Community 2. By enhancing tourism (trails, tractor club, golf course etc) Do we not as a community reinforce the adopted phrase "Picture Butte, Picture Perfect"? In addition, by promoting Agri-food industry, simply thiswe have the water, ability and the growers. Opportunity Beckons with Vision! 3. By addressing the Economy, connecting with the Chamber of Commerce & by involving the business minded people in order to move ahead effectively"No man is an Island" As a suggestion embrace the book "13 Ways to Kill Your Community" By Doug Griffiths (Chapters) or visit utube.	12/27/2021 2:11 PM

	Town of Picture Butte - Resident Satisfaction	SurveyMonkey
38	lower taxes	12/26/2021 4:23 PM
39	Regular Street maintenance is the only one i can think of	12/24/2021 3:36 AM
40	More festivals, celebrations, use more of the reservoir for skating weekend activities for teens and children besides hockey. Use of school gymnasiums and better advertising for theses events maybe a social committee for organizing- volunteers.	12/21/2021 11:27 AN
41	More police presence, curb side recycle, alley maintenance	12/20/2021 7:49 PM
42	Fix sidewalks /lower water bill for irrigation/	12/20/2021 7:28 PM
43	Sidewalks, seniors programs, quicker street repairs	12/20/2021 6:13 PM
44	Clean snow and ice from crosswalks. It can be the most hazardous part of a walk, or to go shopping downtown. Find a street sweeping company that will do a better job next spring. Have better parking regulations by the postal kiosk.	12/13/2021 7:31 PM
45	 Beautify main street - the current town office and fire hall are quite the eyesore and do not represent the community well. Invest in more pathways and outdoor recreation in the town. Invest in the people who tirelessly volunteer for the town. The town has one of the most active volunteer fire departments in southern Alberta and they are constantly asked to sacrifice more and more time away from their families. The least the town could do is ensure their health and safety is a priority. 	12/13/2021 1:11 PM
46	Really disappointed that my tax dollars are used to hire a private security firm to block me from entering a public building, paid for by my tax dollars. Town salaries are paid by my tax dollars. Who made this decision? Bad decision - divides residents, takes away recreational opportunities and creates segregation.	12/9/2021 7:20 PM
47	When the pool gets fixed make it bigger so its useful to more than just children. 2. Finish the walk on the wild side. 3. Leave property taxes where they are and do not raise them.	12/9/2021 10:43 AM
48	Expand the walking/bicycle path inTown (the old train tracks to Roger's Ave.). Install overhead pedestrain light on the west portion of Highway 25/4th Street intersection. The one on the east side is not sufficient. Numerous times while crossing at the crosswalk the pedestrain light was flashing and it was ignored.	12/8/2021 6:05 PM
49	Extending the walking path west to Hwy 519 and Hwy 25 so it will connect to Walk on the Wildside. Paint crosswalk more often so pedestrians can cross safely. At times lines are gone for months.	12/8/2021 8:10 AM
50	Park/playground on south end of town. Fill in remainder of old train track space with trees to offset carbon footprint from bovine flatulence in surrounding feedlots lol.	12/7/2021 8:18 PM
51	Bring the RCMP back into the town. Are we not paying for police service which we do not receive? I cannot remember the last time is saw an RCMP vehicle driving around town. The speed of vehicles through school zones is dangerous. Rarely does a driver slow down. #2 I think a professional person needs to be consulted to find out why and where the pool is leaking. #3 I think the town should pay for professional outside services that may not always be the cheapest. Usually you get what you pay for. One example of this would be the street cleaners.	12/7/2021 4:39 PM
52	More public recreation opportunities (skate park, mountain bike course, trails to access the Coulee.) Improve local policing since there is almost no presence in the community. A bridge that directly connects to lethbridge.	12/6/2021 2:10 PM
53	 Pave the walking path; too many weeds and holes presently; make it all the way around the lake and connect to the town; should be continuous. Credit for water consumption not used. Cover the pool for all year use 	12/6/2021 1:05 PM
54	Allow more water usage for a less money. Snow removal on the north side is always a battle! I am a HCA and I have had problems trying to get to my work because it's weekend and we are snowed in! Or my husband can't get out to his work because they don't come till several hours later! It's very frustrating! Right now we are paying taxes for the skating rink etc but we can't use it because we aren't vaccinated!	12/4/2021 2:56 PM
55	1. Clean up weeds in some yards front and back alleys. 2. More trees, plants and flowers in public spaces 3. Skate park for the youngsters.	12/4/2021 2:21 PM

To	own of Picture Butte - Resident Satisfaction	SurveyMonkey
56	Back alleys are a mess. The one by the new subdivision backing the school is a mud pit with any moisture, got stuck taking my kids to school one morning. The alley beside the family medical clinic, park and recycling is always a mess of ruts, bumps and mud pits. Something indoors that can be utilized by all ages (pool, gym, etc.), and is run well so kids are looked after and watched while there. Larger rcmp presence in town.	12/4/2021 1:35 PM
57	Provide more support to the bee hive child care center as it is a non-profit. Create a disc golf course in town. Coffee shop that serves espresso drinks	12/4/2021 9:03 AM
58	Improve funding to the library	12/4/2021 8:35 AM
59	1. Main Street revitalization/north end of 4th street. 2. Make the Firehall big enough to house all its vehicles safely and not open out onto a Main Street (accident waiting to happen). 3. Try and bring more businesses to town to generate more corporate taxes and maybe lower residential taxes. They are astronomical considering the services offered.	12/3/2021 5:47 PM
60	Offer more public time to PB residents to indoor Ice rink to families who are not involved in Hockey, Upgrade the fire hall so they could cope with all emergencies, More transparency with town council- allow residents to agree or disagree with their elected representatives	12/3/2021 4:46 PM
61	Year round activities.	12/3/2021 1:09 PM
62	Clean up unsightly property, speeders on Centennial Av., Main street	12/3/2021 12:16 PM
63	Infrastructure - Roads and sidewalks, internet service, back allies	12/3/2021 11:54 AM
64	Water pressure, more police presence, upgrading sewer lines.	12/3/2021 10:27 AM
65	satisfied at this time	12/3/2021 10:09 AM
66	1. Remove excess red tape for home building - PB is very difficult to work with compared to other towns. 2. The bylaw officer is a waste of town money - move him to 2 days a week 3. Bike park	12/3/2021 10:02 AM
67	Rejuvenate curling rink and curling participation, Lower taxes, develop industrial land, promote infilling of empty and derelict residential lots.	12/3/2021 9:42 AM
68	Road maintenance (should be done when it can be completed)	12/3/2021 9:41 AM
69	Slower speeds on Main Street! Some roads fixed.	12/3/2021 7:29 AM
70	Impose AHS mandates, better snow removal, maintaining EMS services	12/2/2021 8:10 PM
71	Lowering property taxes, repairing streets, unkempt yards	12/2/2021 11:51 AM

Second as a resident I would like to see more trucking space be made available since parking lot by ufa has been cut in half and also most of the time ufa and gasking lot is full with semis and not enough space to park for more. Thirdly I would like to see improvements on crescent Ave and other streets that have poor pavement such as big potholes big dips in the road etc.	11/25/2021 1:45 PM

105	- Police/ RCMP patrolling, notice and advertisements on events (I was asked to help out a vendor for the Christmas trade show that was announced last weekend for the date of the 25th a week isn't a lot of notice and there should be a vendor announcement sign up made at least 2 weeks in advance so more people have time to get ready and engage!) 3. Town office response. As a homeowner/dog owner , trying to get a hold of the town or have messages returned is next to impossible. Tried multiple times this year to see when I could register my dogs to the town and with 1 month left in the year I haven't heard back.	11/25/2021 12:05 PM
